to save Jilly-Ann from the dark
seduction of a new friend?

Synopsis

"The Things You Lose In The Ocean" is the story of Grace, a stoic woman of Trinidad, and Jilly-Ann, her precocious twelve year old daughter. As Grace and Jilly-Ann come to America to work at the Carrington Residence, Grace is forced to confront the mistakes of her past in order to save her daughter from a danger that has followed them from home. In this tale of love and loss, an evil from beyond the grave will appear to tear apart mother from child. Will Jilly-Ann heed her mother's warning, or be seduced away forever?
